SINGAPORE – 1945 – 2025**

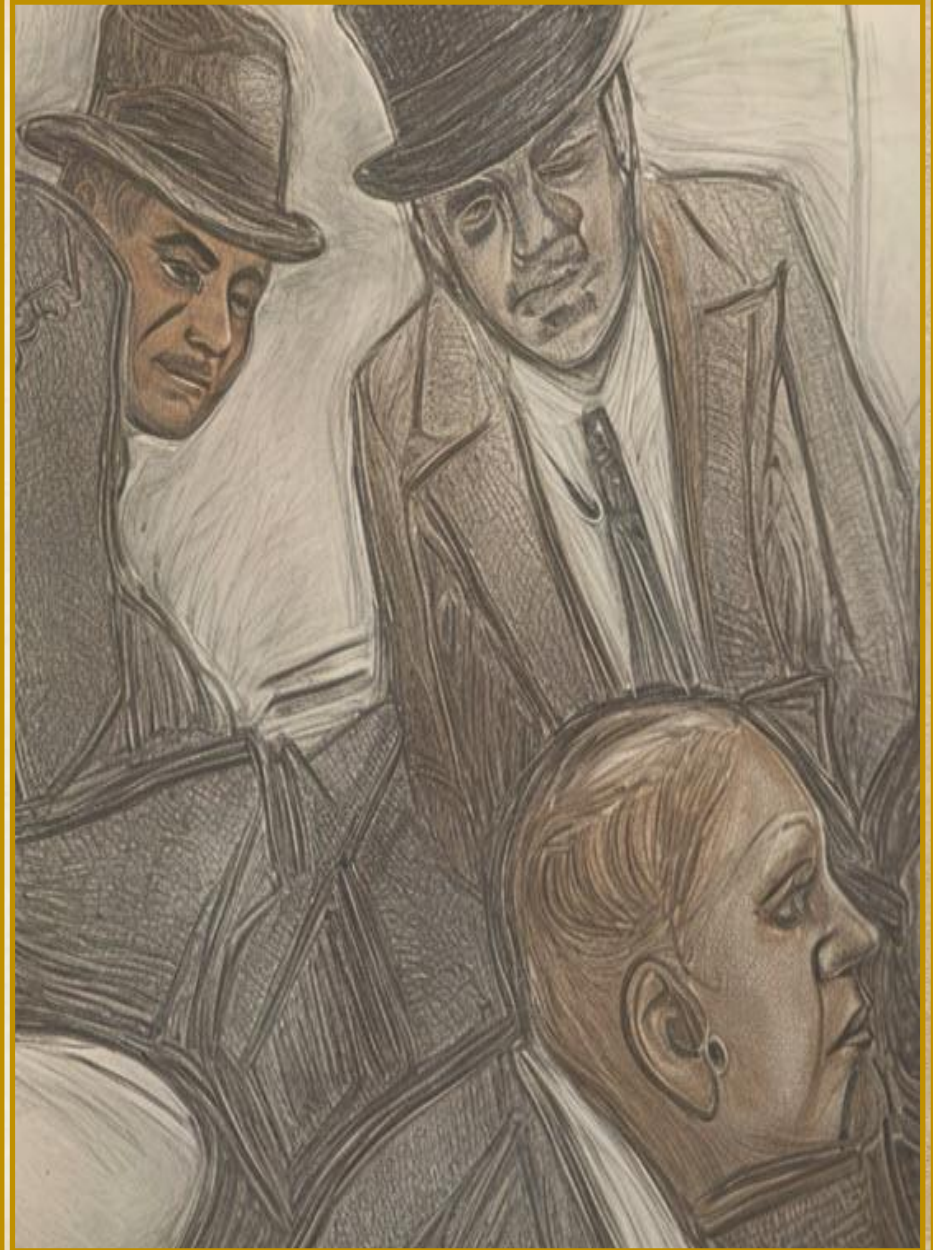

*Madness comes in many
forms and in the last days
of their world they had
once mastered, it took on
many different forms from
denial to heated
arguments blustering
secret insights in wonder
weapons and dreams that*

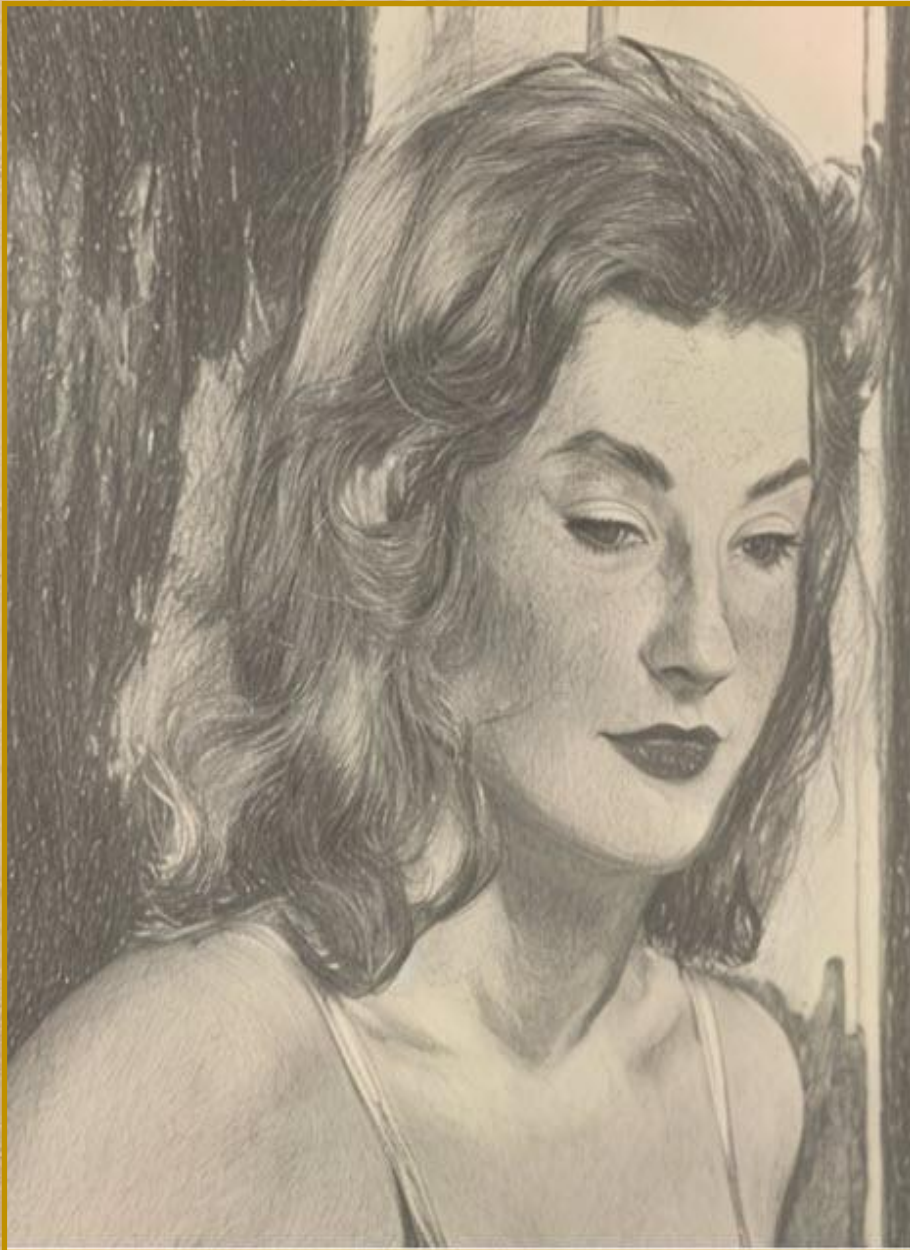

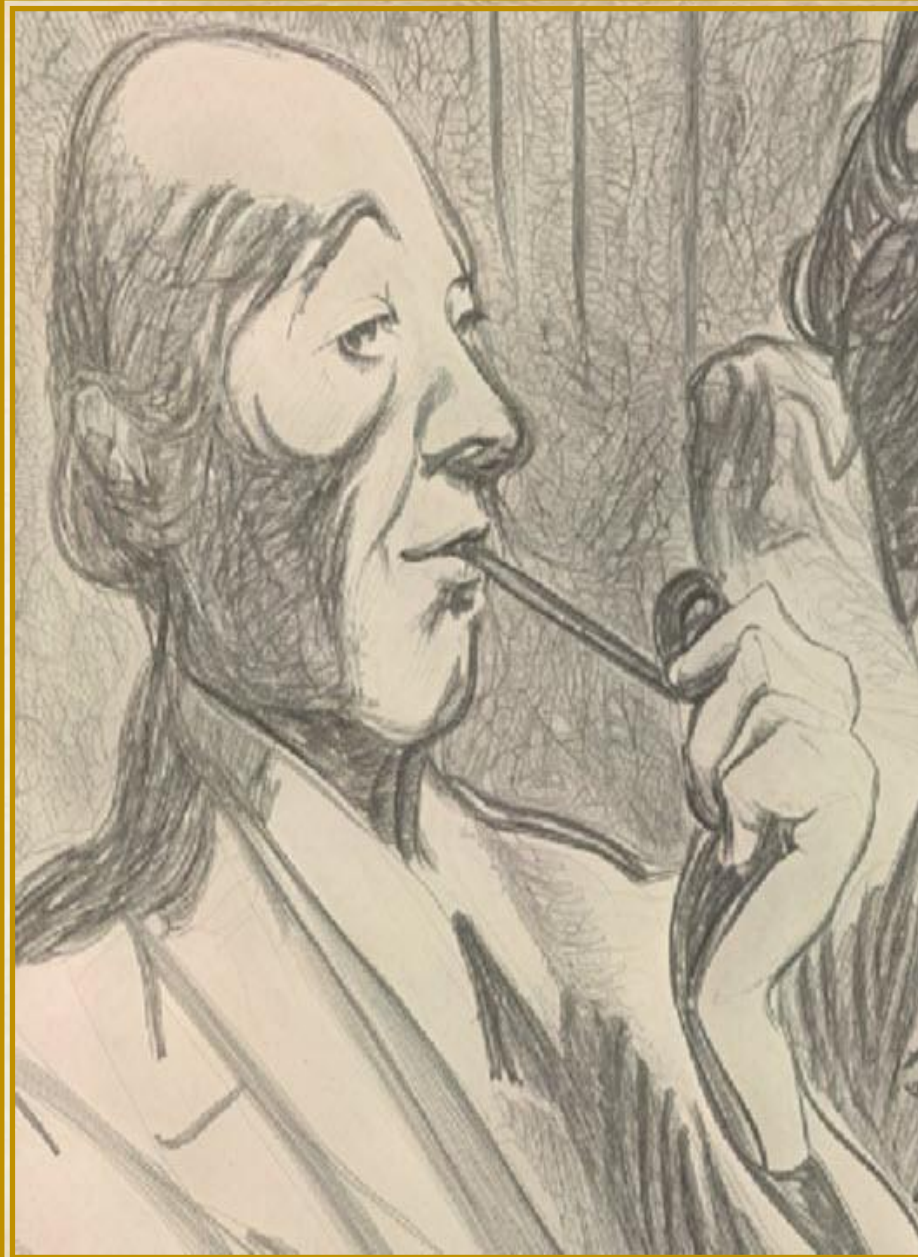

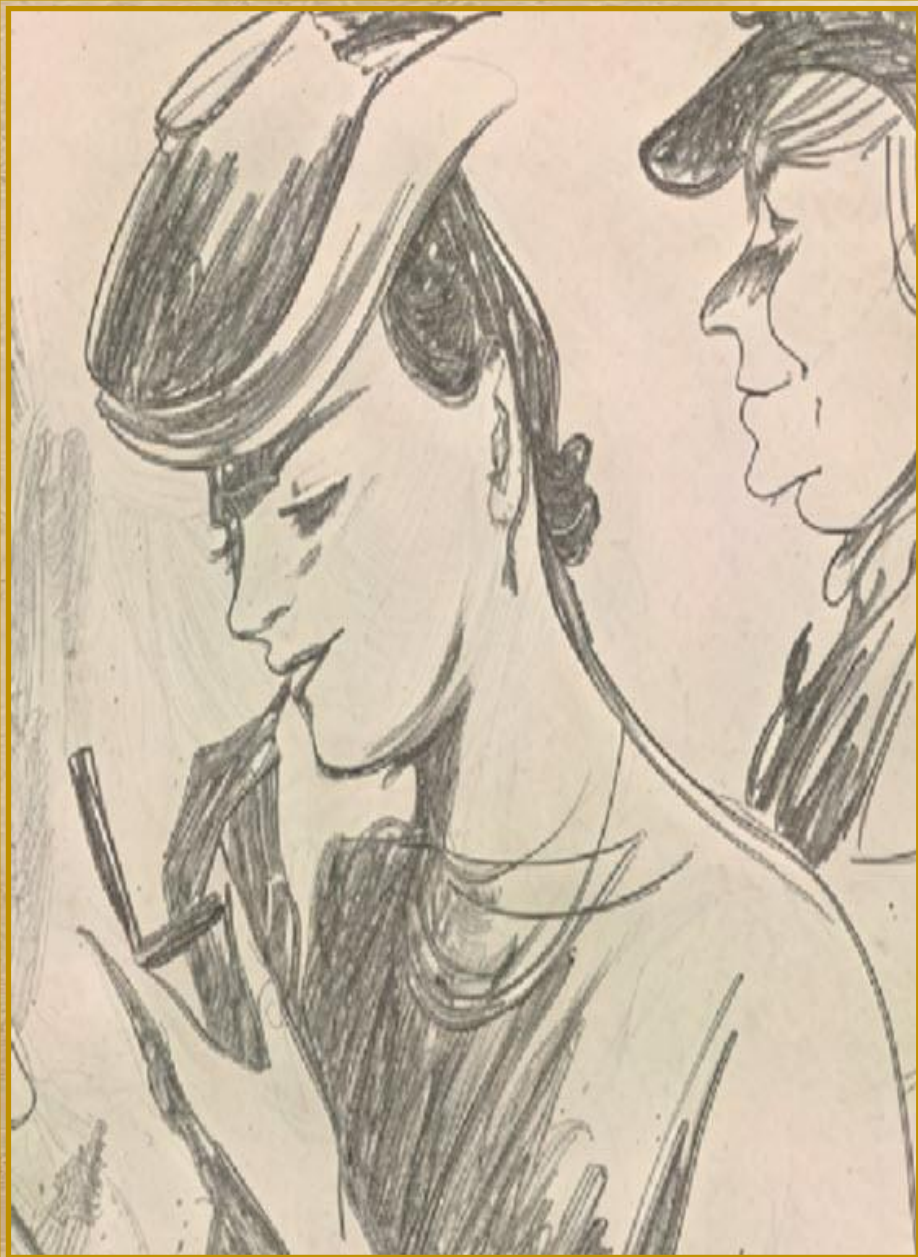

*their leaders could reason
with the West to join
them in their holy crusade
to free the poor peoples, in
the east, from those
demon Soviet Commissars.
The smart money had
already diversified,
divested and/or had*

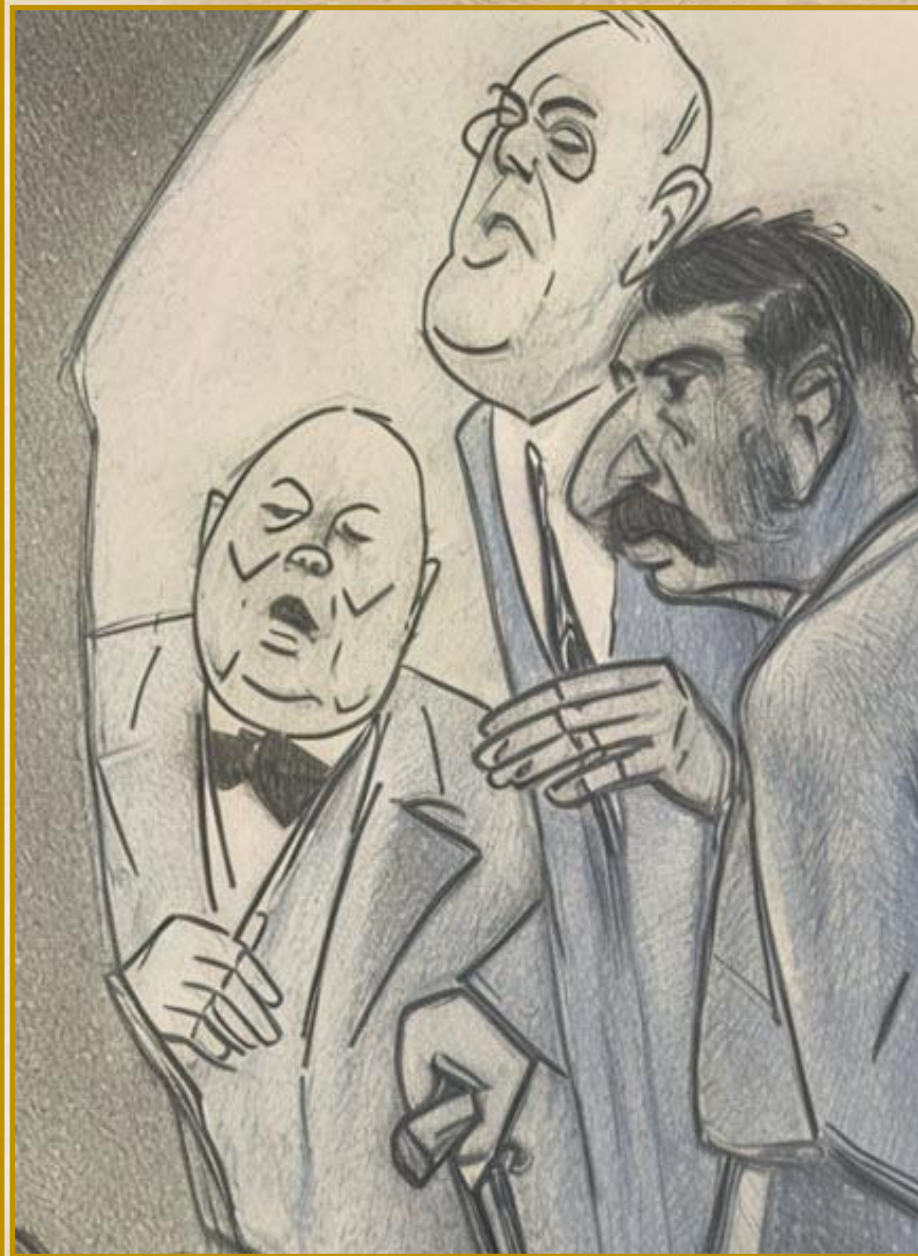

*already fled to warmer
and friendlier lands in the
Southern Hemisphere
while a few had already

Americans to trade intel
and technologies for
forgiveness of the war
crimes that were still*

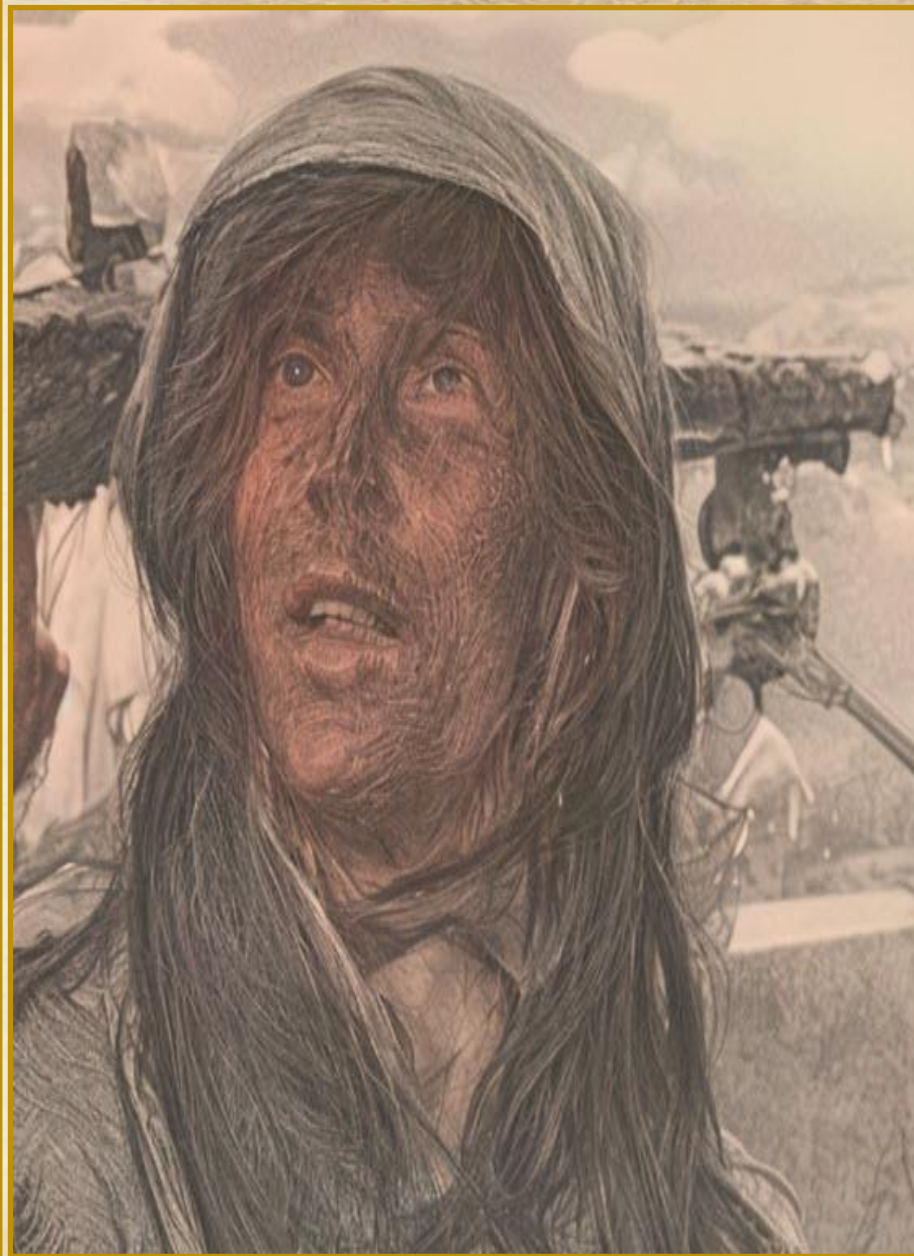

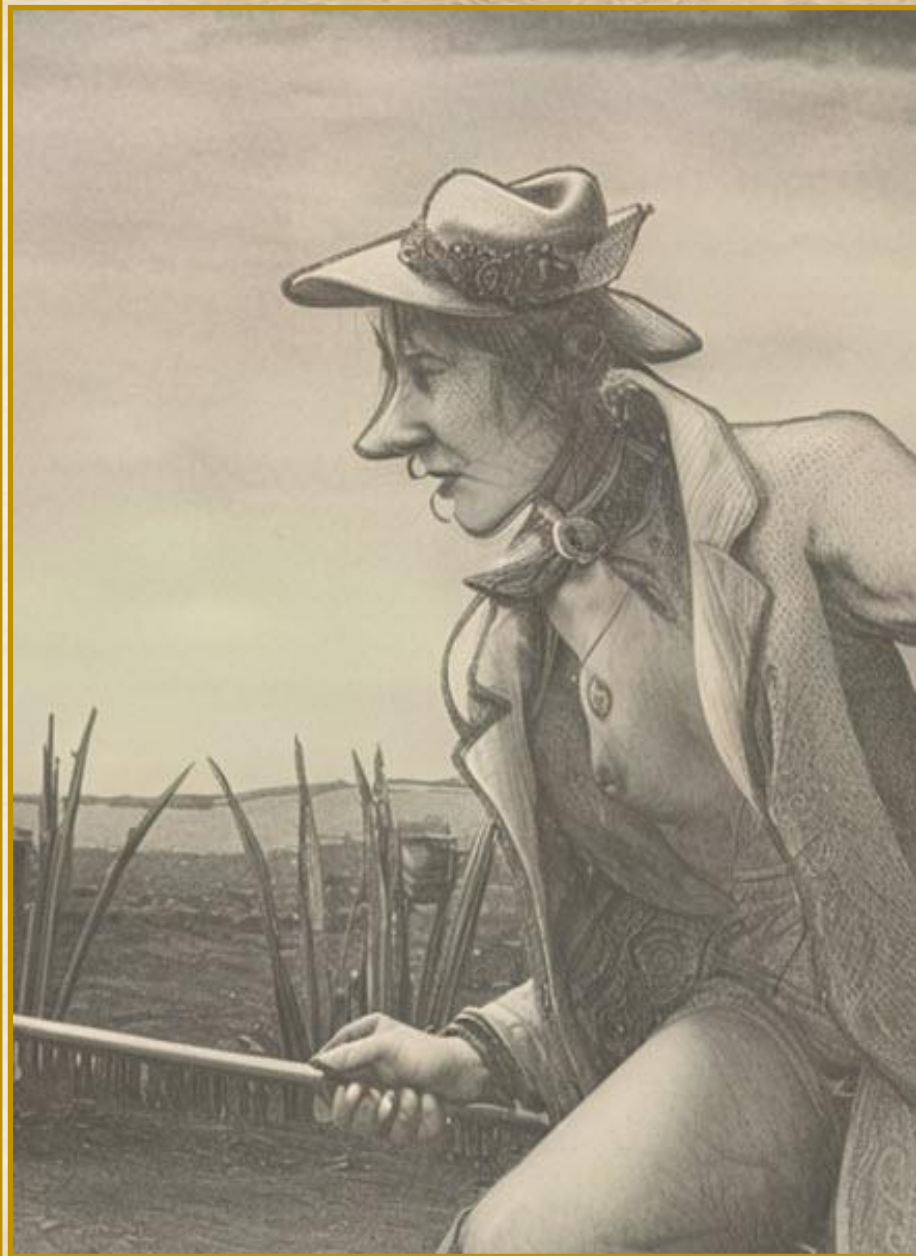

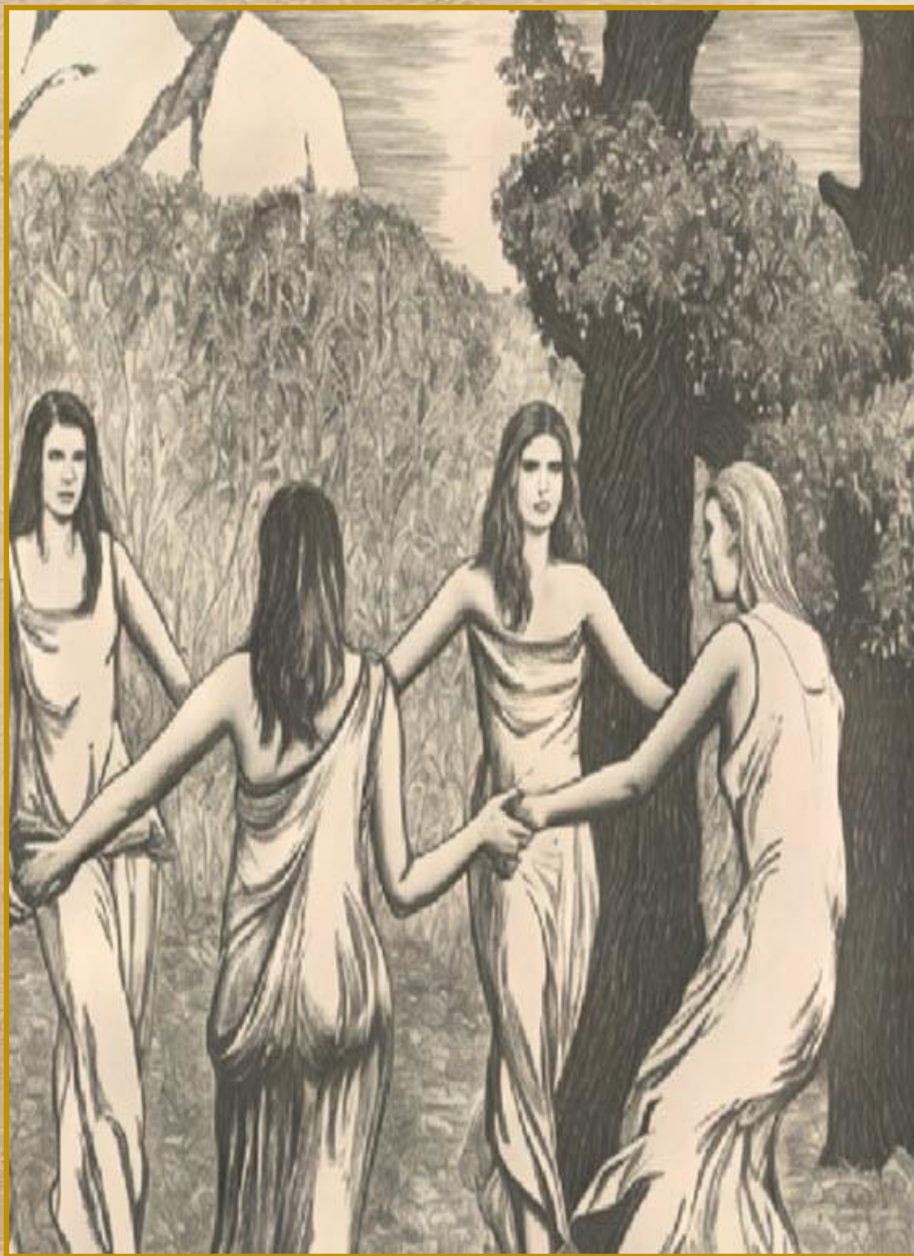

*unknown to the vast
majority of their own
countrymen.
